

# July School Holiday Activities 2018

<p><b>FREE! What's happening to our coastline?</b> What's happening to our coastline? Recent changes at Inverloch have prompted plenty of discussion about natural processes, whether our coast will return to its former profile, and what impact climate change is having. The presenter will describe and explain what natural processes are occurring, and discuss evidence of climate change.</p>	<p>Sun July 8, 2-3.30 pm</p>
<p><b>Astronomy - Dancing With The Stars</b> Join us for a special viewing of the lunar eclipse. See stars and planets through astronomical telescopes. Learn about apps used to navigate the skies. Bring your own astronomy gear if you have any. In the event of cloudy weather this activity will be go ahead as an indoor astronomical research activity in the discovery room.</p>	<p>Sat July 14, 6-7.30 pm</p>
<p><b>Bag It!</b> A great indoor activity for kids and adults. Everyone gets to decorate and take home their own cloth shopping bag and door hanger reminding shoppers to BYO bag to the shop. A great practical way to learn more about a critical issue for us all.</p>	<p>Wed July 4, 10.30-12 pm Wed July 11, 10.30-12 pm</p>
<p><b>Dinosaur Discovery - The Caves Rock Platform</b> Come and learn about the dinosaurs that once roamed the Bass Coast area and join the hunt for dinosaur fossils. See the dinosaur footprint, earthquake fault lines, volcanic lava and petrified trees from the age of the dinosaurs. Rock breaking hammers supplied, or BYO. Bonus cave exploration: bring a torch!</p>	<p>Thu July 5, 10-12 pm Sun July 8, 10-12 pm Sun July 8, 1-3 pm</p>
<p><b>Dinosaur Discovery - Eagles Nest</b> A special expedition to Eagles Nest to see the site of Australia's first dinosaur bone discovery. See earthquake fault lines, petrified trees and join the hunt for dinosaur fossils with an expert palaeontologist; rock breaking hammers supplied or BYO.</p>	<p>Tue July 10, 1-3 pm Sat July 14, 2-4 pm</p>
<p><b>Dinosaur Palaeolaboratory</b> This activity is an indoors activity suitable for junior and teenage palaeontologists working on local dinosaur bones. Learn how to find and identify Australian dinosaurs, get up to date with the latest palaeontology research, and make your own dinosaur fossil!</p>	<p>Thu July 5, 2-4 pm Tue July 10, 10-12 pm</p>
<p><b>Whale Watching</b> Come and enjoy an expert presentation on the migratory whales of Southern Australia, and a coastal whale spotting drive.</p>	<p>Mon July 2, 1.30-3.30 pm Thu July 12, 1.30-3.30 pm</p>
<p><b>Wildlife Spotlighting</b> Explore the night for our local nocturnal wildlife. Spotlights supplied, but bring your own torch as well.</p>	<p>Thu July 5, 6-7.30 pm</p>

**Tickets are now available at [www.sgcs.org.au](http://www.sgcs.org.au).**

All ticket sales are on line. If we don't sell enough tickets to cover our costs we will cancel the activity and let you know. Our program is constantly evolving - please keep an eye on the website for changes and extra activities. Thanks for your interest!
