

September School Holiday Discovery Activities 2019

<p>Dinosaur Discovery – To the Caves Rock Platform Come and learn about the dinosaurs that once roamed the Bass Coast area and join the hunt for dinosaur fossils. See the dinosaur footprint, earthquake fault lines, volcanic lava and petrified trees from the age of the dinosaurs. Rock breaking hammers supplied, or BYO.</p>	<p>Sunday 22nd September 10am - 12noon Monday 23rd September 10am - 12noon Wednesday 25th September 12.30pm - 2.30pm Friday 27th September 2.30pm - 4.30pm Sunday 29th September 3.30pm - 5.30pm Friday 4th October 10am - 12noon Saturday 5th October 10am - 12noon</p>
<p>Dinosaur Discovery – To Flat Rocks A Special expedition to Flat Rocks to search the fossil layer there. See earthquake fault lines, volcanic lava and giant petrified trees.</p>	<p>Monday 23rd September 12.30pm - 2.30pm</p>
<p>Dinosaur Discovery – To Eagles Nest A special expedition to Eagles Nest to see the site of Australia’s first dinosaur bone discovery. See earthquake fault lines, petrified trees and join the hunt for dinosaur fossils with an expert palaeontologist.</p>	<p>Sunday 22nd September 12.30pm - 2.30pm Saturday 5th October 12.30pm - 2.30pm</p>
<p>Dinosaurs Palaeolaboratory- At Discovery Room An indoors lab activity suitable for junior and teenage palaeontologists working on local dinosaur bones. Learn how to find and identify Australian dinosaurs, get up to date with the latest palaeontology research and make your own dinosaur fossil.</p>	<p>Wednesday 25th September 10am - 12noon Wednesday 2nd October 2pm - 4pm</p>
<p>Wildlife Spotighting Explore the night for our local nocturnal wildlife. Spotlights supplied but bring your own torch as well.</p>	<p>Monday 23rd September 7.30pm - 9.30pm Sunday 29th September 7.30pm - 9.30pm</p>
<p>Astronomy - Dancing with The Stars See stars and planets through astronomical telescopes. Learn about apps used to navigate the skies. Bring your own astronomy gear and binoculars if you have any. In the event of cloudy weather this activity will be go ahead as an indoor astronomical research activity in the discovery room.</p>	<p>Sunday 22nd September 7.30pm - 9.30pm Friday 27th September 7.30pm - 9.30pm</p>
<p>Rockpool Ramble Be amazed as you explore our shores and discover our spectacular rockpool wildlife. Sea stars, crabs, marine snails, colourful seaweeds and sponges are among the rock platform diversity to be seen with your expert marine guide.</p>	<p>Sunday 22nd September 10.30am -12.30pm Sunday 29th September 4.30pm - 6.30pm Saturday 5th October 9.30am - 11.30am</p>
<p>Coasts and Climate Change Recent changes at Inverloch have prompted plenty of discussion about natural processes, whether our coast will return to its former profile, and what impact climate change is having. Local geographer Aileen Vening will describe and explain what natural processes are occurring and discuss evidence of climate change.</p>	<p>Thursday 26th September 2pm - 4pm Tuesday 1st October 10am - 12noon</p>

Tickets are now available at www.sgcs.org.au

The fine print

All ticket sales are online. If we don't sell enough tickets to cover our costs, we will cancel the activity and email you. Our program is constantly evolving - please keep an eye on the website for changes and extra activities. Thanks for your interest!
